

# PLAY BALL!

Use the clues in the story to fill out the puzzle, first going counter clockwise and then clockwise.

Luke had his uniform on and      on his way to play     . They      last weekend and he was trying to      like he wasn't excited. "But I     " thought Luke. He had his      in his blue bag with the white      it.      way was he going to miss this game. "    " he thought, "I have to hurry." He wanted to get there early to take a      at pitching. He would go to the      and do anything for his team. "I know I      do this." All of a sudden he saw an      in a tree and a yellow      dog running down the street. He knew after he      them, that they were his good luck charms. He would have a great game today.
